ALL-COUNTY LETTER NO. 75-141

TO: ALL COUNTY WELFARE DEPARTMENTS
ATTENTION QUARTERLY CHARACTERISTIC SURVEY LIAISON

SUBJECT: NATIONAL SURVEY OF AFDC FAMILIES

REFERENCE:

The U.S. Department of Health, Education and Welfare is again conducting a national survey of AFDC families. The survey will cover families in the FG and U components who received money payments during May 1975, the designated study month. There are two case record schedules to be completed for each case to be surveyed: one by the eligibility worker and one by the service worker. A copy of each case record schedule is enclosed for your information and review. Federal instructions and supplemental instructions for California will be included later with your supply of the survey material.

Sample sizes will be approximately one-third of one percent of the AFDC-FG and U caseloads. Copies of sample case listings will be sent to you with your supply of schedules and instructions within the next three weeks. Immediate distribution to your staff at that time will be essential as all schedules for this survey will be due in Sacramento approximately 45 days after you receive the survey materials.

Because the sample cases are being selected on a random basis statewide, not all counties may be participating. Counties for which cases are not selected will be so informed after the sample case listings are prepared.

Sincerely,

GARY G. ADAMS
Deputy Director
